

2023 Polar Bear Run Information

November 2022

Overview

On January 21, 2023 we will embark on our annual Polar Bear Run. This year's run covers 111 miles through the beautiful Texas countryside. We start our journey at the Starbucks located at 9209 West Rd, Houston arriving at 9:30 for a 10:00 AM departure.

From here we head off to the Farmer's Market in Montgomery.

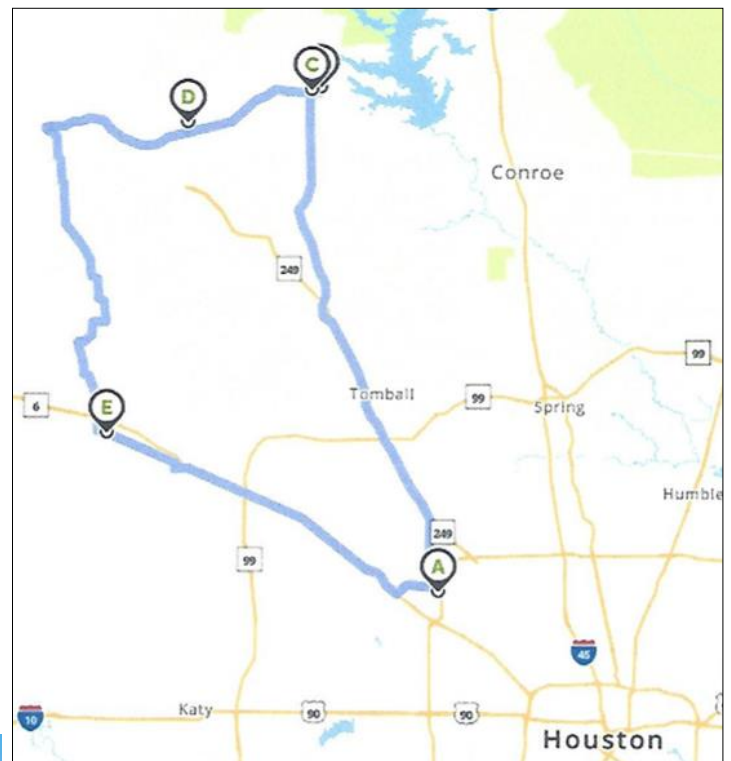

From the market we head for lunch at the Cozy Grape in historic downtown Montgomery.

After lunch we head west to savor the tastes of local wines at the Bernhardt Winery

We then meander back to our starting point suitably "chilled".
