

## 2023 Gary Johnston Memorial Annual Bluebonnet Run

Mark your calendar for April 1, 2023, when we will embark on our annual Gary Johnston Memorial Bluebonnet run. This year we will be heading out after breakfast on Highway 290 to the picturesque town of Chappell Hill, which is at the epicenter of Bluebonnets in Texas. There will be many photo opportunities to be had here amongst the State flower.

From Chappell Hill we head north enjoying classic LBC roads on our way to Independence, Texas to take in the delights of the Antique Rose Emporium where you can enjoy not only the Bluebonnets but one of the largest selections of roses in the State.

Our countryside tour then continues on to Los Cabos Mexican Grill & Steakhouse in Brenham for lunch.

After a sumptuous lunch one can either return to Houston on 290 or take the picturesque route home via the Pleasant Hill winery, one of the finest in the State.
